

## **Pag-IBIG Fund : Building a Brighter Future**

Pag-IBIG Fund's Corporate Social Responsibility (CSR) exemplifies its commitment in upholding its twin mandates to generate savings through membership and to mobilize provident funds for housing purposes in achieving its objective of **BUILDING A BRIGHTER FUTURE**. The Fund adheres to be socially responsible, to act and to operate as good corporate citizens. In the pursuit of its vision, Pag-IBIG Fund is governed by its core values of Professionalism, Integrity, Excellence and Service in accordance with the prescribed ethical standards for public officials and employees.

Pag-IBIG Fund seeks to improve the quality of life of its members through the administration of the funds in trust for them, which shall be used exclusively for their benefit such as entitlement to dividends from their savings and, providing access to multi-purpose loans and housing loans. The Fund is committed in performing quality public service with diligence, transparency and accountability. Aside from its main programs on savings and loans, the Fund looks for other ways to help our members, like its "I Do, I Do" Program, Pag-IBIG Loyalty Card as well as disaster rehabilitation programs. It requires compliance with existing environmental, real estate and other applicable laws, rules and regulations. The Fund encourages the participation of stakeholders in the public and private sectors through building good business relationships and ensuring fair dealings in all its transactions with them. Likewise, Pag-IBIG Fund assures the security of its personnel and clients, and treats them with full respect and without discrimination as to gender, religion, race or political affiliation.

Further, Pag-IBIG Fund recognizes the major role of its employees in the public service. Thus, it promotes professional growth and development of its human capital through the provision of training programs and, the grant of appropriate compensation and benefits.
